- A. Consideration and approval of the Turlock MAD Board of Trustees meeting minutes for January 19, 2016.
- B. Review of balance sheet and income statement for December 2015.
- C. Authorize the GM to remove from inventory and sale of (1) vehicle: 1998 Dodge Pickup (1B7Hf16Z2WS575727)

Showen motion: Approve all items on the Turlock Mosquito Abatement District Consent Calendar. 2nd: Hooker. Unanimous.

5. Agenda Items

- A. Consideration and approval of the payment of bills and wages for January 2016.

Discussion of the January bills and wages included warrants made out to Clarke Mosquito Products for a load of CocoBear oil. The operators have worked on reducing their oil usage over the past couple of years. Also discussed were warrants made out to Cardiac Science for

a new battery for the AED, Univar for an order of Altosid briquettes, and Honda Kawasaki for repairs made to the ATV.

GM Heft informed the Board that "Great West Retirement Services" has been renamed to "Empower Retirement".

Trustee Hunewill asked about two warrants issued to AT&T and one to Sprint. GM Heft responded that he was exploring alternate communication packages that would reduce the District's telephone costs.

Peterson motion: Approve payments of bills and wages for January 2016. 2nd: Showen. Unanimous.

6. Reports

A. Review of the General Manager's Report: January 2016.

GM Heft had a larva sample collected from Denair (Garcia dairy) as an example of winter mosquito breeding. He will be making an onsite visit Wednesday February 17, 2016. The Board questioned the current status of the abatement filed on the property. GM Heft responded that if the property were to once again be in violation of the Board's order, an immediate abatement would be issued.

GM Heft and Mosquito Control Supervisor Jorge are finishing 2015 employee evaluations.

Shop staff are still working on readying the operator vehicles for the start of the season and have completed 5 trucks.

GM Heft expects the District to "go live" with MapVision in March, as well as finishing up staff training.

GM Heft reviewed the chart that he uses to evaluate pesticide usage in each operators zone. He is looking toward each zone having a "budget" and the operator will be responsible for staying within that budget. Trustee Hunewill suggested a reward for those operators that are diligent about staying within budget.

7. Adjournment

Hunewill motion: Adjournment of the Turlock Mosquito Abatement District Board of Trustees Meeting, date January 19, 2016. 2nd: Peterson. Unanimous.

There being no further business, President Carr adjourned the meeting at 7:36 pm.

George Carr, President

Aaron Hackler, Secretary
